- transport marijuana as follows:
 - (1) a marijuana cultivation facility may transport marijuana to another marijuana

- (2) a marijuana product manufacturing facility may transport a marijuana product to another marijuana product manufacturing facility, a marijuana testing facility, or a marijuana retail store;
- (3) a marijuana testing facility may transport marijuana or a marijuana product to the facility from which it received the marijuana or another marijuana testing facility; and
- (4) a marijuana retail store may transport marijuana or a marijuana product to another marijuana retail store.
- (b) A marijuana establishment from which a shipment of marijuana or marijuana product originates is responsible for preparing, packaging, and securing the marijuana or marijuana product during shipment, for recording the transfer in the marijuana inventory tracking system, and for preparing the transport manifest. Any individual transporting marijuana in compliance with this section shall have a marijuana handler permit required under 3 AAC 306.700.
- (c) When any marijuana or marijuana product is transported, the marijuana establishment that originates the transport shall use the marijuana tracking system to record the type, amount and weight of marijuana or marijuana product being transported, the name of the transporter, the time of departure and expected delivery, and the make, model and license plate number of the transporting vehicle. A complete printed transport manifest on a form prescribed by the board must be kept with the marijuana or marijuana product at all times.
- (d) During transport, any marijuana or marijuana product must be in a sealed package or container in a locked, safe and secure storage compartment in the vehicle transporting the marijuana or marijuana product. The sealed package may not be opened during transport. Any

- (e) When a marijuana establishment receives marijuana or a marijuana product transported in compliance with this section, the recipient of the shipment shall use the marijuana inventory tracking system to report the type, amount, and weight of marijuana or marijuana product received. The licensed recipient shall refuse to accept any shipment of marijuana or marijuana product that is not accompanied by the transport manifest.
- (f) A marijuana establishment must keep records of all marijuana or marijuana product shipped from or received at that marijuana establishment as required under 3 AAC 306.755.

3 AAC 306.755. Business records. (a) A marijuana establishment shall maintain, in a format that is readily understood by a reasonably prudent business person, the following information:

- (1) all books and records necessary to fully account for each business transaction conducted under its license for the current year and three preceding calendar years; records for the last six months must be maintained on the marijuana establishment's licensed premises; older records may be archived on or off premises;
 - (2) a current employee list setting out the full name and marijuana handler permit

- (3) the business contact information for vendors that maintain video surveillance systems and security alarm systems for the licensed premises;
 - (4) records related to advertising and marketing;
- (5) a current diagram of the licensed premises including each restricted access area;
- (6) a log recording the name, and date and time of entry of each visitor permitted in a restricted access area;
 - (7) all records normally retained for tax purposes;
- (8) accurate and comprehensive inventory tracking records that account for all marijuana inventory activity from seed or immature plant stage until the retail marijuana or retail marijuana product is sold to a consumer, to another marijuana establishment, or destroyed; and
- (9) transportation records for marijuana and marijuana product as required under 3 AAC 306.750(f).
- (b) A marijuana establishment shall provide any record required to be kept on the licensed premises to an employee of the board upon request. Any record kept off premises must be provided to the board's employees within three business days after a request for the record.
- (c) A marijuana establishment is required to exercise due diligence in preserving and maintaining all required records. Loss of records and data, including electronically maintained records, will not be considered an excuse for a violation of this rule. Failure to retain records required under this section may be interpreted by the board as a license violation affecting public safety. (Eff. ___/____, Register _____)
